WEST PENN MAY STRAIGHTEN OUT EVERSON CURVES

Agreement Reached Between
Traction Company and
Borough Council.

RIGHT OF WAY GRANTED

Improvements Will Begin at Once and
Together With Work to be Done by
State Will Result in Complete Pay-
ing of the Main Thoroughfare.

After years of controversy over the question of a right of way the West Penn Railway company and the borough council of Levenson on Monday night came to an agreement by which the traction company will be able to straighten out the four curves now in its lines between Valley and Brown street, Levenson.

The borough has always refused to grant the company a right of way because the West Penn refused to take care of any paving. The matter was allowed to rest until the borough entered Levenson the tracks had to be laid in a round about way making four sharp swings.

By the agreement reached Monday night the West Penn company will lay the tracks between its rails and also 18 inches outside each track. The company will also take care of the curbing. The state is taking care of 18 feet of the road which will make it possible to entirely pave Brown street from Valley to the Levenson bridge. At present there is no improved street between the borough limits and the school house.

Work on the improvements will be given immediately as the work by the state contractors is almost at the borough limits now. The completed Brown street will connect with the Star route now under improvement by the state and will make a fine highway between Scottsdale and Connellsville, branching off at Pennaville.

MR. & MRS. J. J. 'ONIS'

GOLDEN ANNIVERSARY
The 50th anniversary of the marriage of Mr. and Mrs. John J. Jones of North Pittsburgh street was observed at a surprise party given by Mr. and Mrs. Roy Byner at the Bryner home in White avenue Monday evening. Thirty-five friends of the aged couple gathered when they appeared at the Bryner home at 7 o'clock in response to an invitation to spend the evening. The hours of the affair were from that time until nearly midnight.

The early part of the evening was given over to reminiscences and readings, the latter by Miss Emma Jean Rhodes. Lunch was served at 9 o'clock by Mrs. Byner.

Included among the guests were Mr. and Mrs. C. W. Payne of Cazenovia N. Y. who have been spending several weeks with Mr. and Mrs. J. J. Sims and Mr. and Mrs. Arthur Howells of Scotland.

Mr. and Mrs. Jones received a number of gifts to commemorate the occasion.

Almost all of their married life Mr. and Mrs. Jones have been residents of Conneltsville. Mrs. Jones before her marriage at her home the old Davidson farm where the coke plant now is located was Mrs. Mahala Hatfield daughter of Mr. and Mrs. William Hatfield. The marriage was solemnized March 21, 1871 by the late Rev. Isaac Francis of the Methodist Episcopal church. Mr. Jones served in the Civil War as a member of the Seventh Ohio Cavalry and came to Conneltsville after the war some time in advance of his parents Mr. and Mrs. Rowland Jones. He has been prominent for many years in Grand Army of the Republic circles.

Mr. Jones was 77 on last October 27. Mrs. Jones passed her 57th anniversary on February 19. Both are in fairly good health.

MOUNT PLEASANT FIREMEN TO ASK TAXATION SUPPORT

Loyalty of Fourth or Half Mill
to be Suggested in
Petition.

THINK THIS PROPER METHOD

Will Eliminate Necessity of Holding
Carnivals and Other Shows; Recre-
ation Planned for Otterbein Glee
Club; Friday Carnation Night; Notes

Special to The Courier.
MOUNT PLEASANT, March 22.—The Mount Pleasant Volunteer Fire Department held a meeting last evening to discuss finances. It was decided to have a committee go over the department books and arrange a budget for the carrying on of the department affairs for a year and see just what amount of money this will require. With this information at hand a petition will be signed by the members and presented to council asking that council get a tax of one-fourth or one-half mill for next year to finance the department. The firemen feel that with this taken care of in this manner there will be no begging, no home to eat shows, no carnivals nor money making schemes of any kind and that every property owner is willing to pay this dollar or so for fire protection. It will probably be necessary to have some sort of home talent to raise funds for this year, but the department is very desirous of making their finances by millage after this year.

A reception and dance will be held in the Back & Trust Assembly hall on Friday evening after the concert given in the Grand opera house by the Otterbein Glee club for the members of the Glee club.

Carnation Night.
Friday night has been set aside as carnation night at the First Baptist church where Evangelist Strauchman is holding evangelistic services each evening.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Pre-
vents Food Fermentation, Sores
Gassy Stomach and Acid
Indigestion.

Doubtless if you are a sufferer from indigestion, you have already tried in pain, discomfort, cramps, drugs and various digestive aids and you know these things will not cure your trouble. In come, cases do not even give relief.
But before giving up hope and de-
fecting you are a chronic dyspeptic just try the effect of a little Bisulphate of Magnesia—just the ordinary com-
mercial carbonate, citrate, or milk, but the pure Bisulphate of Magnesia which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little Bisulphate of Magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow. And moreover, the continued use of the bisulphate of magnesia cannot injure the stomach in any way so long as there are no symptoms of acid indigestion. Adv.

Women's Hair Price Increases.
The price given by hairdressers for women's hair has increased enormously during the last 12 months. While some women in America and Britain sell their hair, the real trade in this commodity is done in Continental countries. Peasant girls in France, Belgium and Italy sell their hair at regular periods to dealers. This hair is mostly of the fair and black variety, while most golden hair is obtained from Scandinavians.

Doctor Issues Warning And Tells How to Stop Tobacco Habit

New York.—Dr. Connor, formerly
of Johns Hopkins Hospital, says: "I
am often asked if I know anything to
stop the tobacco habit and I always
recommend Nicotol, which I have pre-
scribed with great success. Nicotol
contains no habit-forming drugs, is ab-
solutely harmless and produces an
astounding result in a very short time.
The use of tobacco saps the vitality,
vigor and ambition of the man who
is enthralled by its seductive ef-
fects. It undermines the health and
leaves the victim an easy prey to gen-
eral debility, throat and lung trouble,
nervousness, insomnia, heart trouble,
kidney trouble, headache, tongue and
lip cancer and even blindness. Physi-
cians the world over often trace the
start of the above diseases and many
others to nicotine poisoning.
If you want to free yourself from

tobacco go to any drug store and ask
for Nicotol tablets. Take one tablet
after each meal and in a short time
you will have no desire for tobacco—
the craving will have left you. With
the pleasing, pleasant taste of your
system your general health will quickly
improve.
Note.—When asked about Nicotol
tablets, one of our leading druggists
said: "It is truly a wonderful reme-
dy for the tobacco habit—away ahead
of anything we have ever sold before.
We are authorized by the manufac-
turer to refund the money to every cus-
tomer and we would not permit the use
of our name unless the remedy posses-
ed unusual merit." Nicotol is sold in
this city under an iron-clad money-
back guarantee by all up-to-date drug-
stores, including J. C. Moore. Adv.

"PEP" FRANCIS IS SELECTED

AS GUARD ON W. P. I. A. L.

SECTION 3, ALL SCHOLASTIC

Captain of Connellsville High Team Gets High Rating From Competent Judge.

TWO MILL TOWNERS ON

In this column today appears the first selections of D. Edward Wall of Scottsdale, a Class A Central Board official, for a scholastic team. The names below are picked for honors in Section 3, Western Pennsylvania Inter-scholastic Athletic League.

Edgar (Pep) Francis, captain of the Connellsville high school team, is selected by the official as a still guard and is rated as undoubtedly the best in the league. Francis has showed excellent form this year and his selection is only justice to the fine game he has played from his position. Undoubtedly his work at keeping the ball safely away from opponents has saved many games for Coach Rupp's little team.

Tomorrow the selections for a Fayette county team will be printed in this column.

Names and Reasons For the Selections

(By D. Edward Wall.)
The following are my selections for All-Scholastic, Section 3, of the W. P. I. A. L.:

Forwards.
Joseph McMunn—Norwin High.
Clarence Hume—Scottsdale High.
(Center)
Donald Maloy—Scottsdale High.
Guards.
Red Baxter—Braddock High.
Edgar Francis—Connellsville High.
HONORABLE MENTION.
Forward.
Lester of Scottsdale High.
Mervin of Braddock High.
(Center)
Zukovitch of Braddock High.
Guard.
Murphy of Scottsdale High.
Meinick of Connellsville.

Joseph McMunn—Won the right to a place on the first team of this section with fine work on the floor and on the foul line, being a good swing-sat under the basket.

Clarence Hume—Makes a fine running mate for McMunn, being a good dribbler, placing himself in such a position as to feed McMunn under the basket. Also a fine shot from any angle of the floor and one of the most consistent foul shooters I have ever seen in high school.

Donald Maloy—In Maloy of Scottsdale, playing his second year of basketball, I find him the most "heady" center in the section. While not the best shot from the floor he is one of the best jump-off men in the section and an ideal leader.

Red Baxter—The Braddock player, as roving guard, gives my team practically three forwards as he is a good shot from the floor and a good dribbler, which is the biggest asset of a roving guard in order to feed his forward.

Francis of Connellsville I consider the best still guard in the league and were it not for his being on a small team, I would consider him for Western Pennsylvania honors. It is a question as to whether I would have him or Maloy lead my team on the floor as both are ideal leaders, always playing a hard, clean game and keeping their team going at top form all the time. By reason of the fact that Maloy is at center, he has the players facing him which rates him as captain.

While this team may be open for criticism, I have deliberated long and picked my selection after very closely observing the style of play these boys use, and I have chosen them from the positions they played regularly all year. A stronger team may be gotten together by changing the positions of different players but I do not consider it fair to the player who has played his position, whether by his own choice or by the choice of a coach, and is left off the All-Scholastic team by reason of the fact that an excellent man at another position outpoints him.

HIGH SCHOOL PLAYS

HERE THURSDAY NIGHT
The Connellsville high school team, which "stepped out" Monday afternoon and won the Frothingham, Md., team, a championship aggregation, will play West Newton Thursday night at the local gymnasium.

DUNBAR TOWNSHIP HAS

GAME ON THURSDAY
Dunbar Township High has a game Thursday night with California Normal. The township five, which is far from being an inferior one this season, will give the visitors a hard run when they clash on the gymnasium at Leisenring No. 1.

MOSES YELLOWHORSE IS SHY

Pitcher Bought by Pittsburgh Pirates Declares He Is Not Ready for Fast Company.

Declaring that he is not yet ready for fast company and that he wishes to remain in the minors another year, Pitcher "Big Chief" Moses Yellowhorse, purchased by the Pittsburgh Pirates from the Little Rock Travelers, objects to going to Bunccesters this coming spring.

Yellowhorse, although it was his first year in professional baseball, was one of the leading pitchers in the Southern league and was a decided factor in the Travelers' winning the 1920 pennant in the Southern.

Uncertainties of Applause.
"Some of those constituents of yours did not vote the way they applauded," "No," answered Senator Sorghum. "Some of them explained to me that they were not applauding my speech so much as my nerve in making it."

THE ORPHEUM

"THE BELLOVED VILLAIN" With Wanda Hawley in the leading role, is today's feature attraction. "The Beloved Villain," by the way, is a demonstration of Realist's belief that "the play is the thing." The picture is an adaptation of a very famous French farce which had a big vogue in Europe a few years ago. Deliberately it is being offered under an entirely different name. For the plot holds so much genuine fun and interest that it is bound to succeed on its account, aside from any big reputation of previous successes as a stage play. The story is the old Priscilla, Miles Standish, and John Alden situation, treated with that dash and brilliancy of wit which the French mentality has brought to such a high point of excellence. Certainly it reaffirms the age-old fact that it's always dangerous to have a friend propose to your girl. Ramsey Wallace, Miss Hawley's new leading man, is virile and convincing as the man who starts a whole train of complications when he becomes the matchmaker between his friend and then wins the girl for himself. Other excellent players in the cast include T. Temple, Powell, Tully Marshall, Lillian Delighton, Robert Golder and Margaret McWade. Tomorrow, "Babbling Tongues," presenting an all star cast, and Marty Deem's bathing beauties, will be the attraction.
